### The Promised Messiah (AS) said:

I do not wish to experience any personal criticism owing to someone else. A person who is not according to my wishes but is in my Jama'at is like a dry branch. What else can a gardener do but cut him off? A dried branch takes the water alongside a flourishing branch but a gardener cannot make it green. In fact it pulls other branches down with it. Thus be warned. One who does not correct himself will not stay with me. (Malfoozat, Vol. II, p. 49)
